

**GENERAL INFORMATION**  
**Guaranteed Analysis**

Total Nitrogen (N) . . . . . 2.0%  
2.0% Ammoniacal Nitrogen  
Available Phosphate (P2O5) . . . . . 14.0%  
Derived from monoammonium phosphate

**STERIC P** contains complexed phosphorus that protects the phosphorus molecule from being tied up in the soil. It is a liquid plant food containing two primary plant nutrients designed to provide supplemental nutrition and correct phosphorus deficiencies.

**STERIC P** is processed with a wetting agent aiding in spray tank wetting and product dispersement and a concentrated blend of amino acids, biostimulants, soil and petiole penetrants, complexing agents, microbial enhancing agents, antioxidants, and coenzymes

**CONDITION OF SALE**  
Seller warrants that the product conforms to its chemical description and is reasonable fit for the purpose stated on this label when used in accordance with directions under normal conditions of use. Since weather, crop, soil, and other conditions may vary, Planet Turf, Inc. and/or seller make no warranty of any kind, expressed or implied, concerning the use of this product. The user assumes all risk of use of handling, whether or not in accordance with directions or suggestions.

**Net contents: 2.5 gallons (9.46L)**  
**Weight per gallon: 9.45 lbs (4.28kg)**

**Information regarding the contents and levels of metals in this product is available on the internet at:**  
**<http://www.aapfco.org/metals.htm>**

**SHAKE WELL BEFORE USING**  
**HARMFUL IF SWALLOWED**

**APPLICATION INFORMATION**  
Apply 2-4 gallons per acre (19-37 l/hectare) of Steric P mixed with compatible fertilizers. Add Steric P to a partially filled tank and continue to fill the tank. If mixing permits, allow agitation of the solution in tank to ensure uniform mixing. Apply followed by irrigation to move product into root zone.

**TURFGRASS:**  
For Phosphorus maintenance and regular applications - apply 2 gallons per acre (19 l/hectare)

To Correct Deficiency: apply 4 gallons per acre (37 l/hectare)

After initial application, monitor phosphate levels and apply again if necessary

**WARNING**

**Precautionary Statements**  
Wash face and hands and any exposed skin thoroughly after handling.  
**If Swallowed:** immediately call POISON CENTER or doctor/physician. Rinse mouth.

**CAUTION: KEEP OUT OF REACH OF CHILDREN**
