GUARANTEED ANALYSIS

Nitrogen (N)	2%
Potassium (K ₂ O)	21%
Derived from Nitrogen and Potassium Amino Acid complex.	

GENERAL INFORMATION

ReKovery 2-0-21 is designed for foliar application on plants to prevent or correct nutrient deficiencies that may limit crop growth and yields. It is water soluble and nontoxic to plants when applied as directed. For best results, apply ReKovery 2-0-21 according to recommendations based on plant tissue or soil analysis.

DIRECTIONS:

Shake well before use. Keep from freezing. Dilute one part ReKovery 2-0-21 with 20 or more parts water. Apply by a spray method and with an adequate amount of water that will provide complete coverage of the plants. Use of a non-ionic wetting agent may improve spray coverage of certain hard to wet plants. **Do not apply undiluted.** ReKovery 2-0-21 can be included in a regular spray program on crops. Consult with a Verdesian Life Sciences representative on compatibility with other spray materials. The rate of application will depend on the crop, stage of growth, and severity of deficiency. The maximum recommended rates are for mature, full-sized plants. Reduce the rates proportionately when spraying smaller plants. ReKovery 2-0-21 may be used on legumes, grain crops, root crops, cucurbits, cole crops, leafy vegetables, woody and herbaceous ornamentals, deciduous fruits, vine crops, tropical and subtropical fruits, and many other crops.

RECOMMENDATIONS

Field Crops and Vegetables: Apply 32 to 64 fluid ounces per acre (1.0 to 2.0 liters per hectare) during periods of rapid growth or nutritional stress. The application may be repeated 2 or more times through the growing season. **Tree Crops:** Make an application of 32 to 96 fluid ounces per acre (2.0 to 3.0 liters per hectare) during the fruit development stage. The application may be repeated at 2 to 4 week intervals through the growing season. **Grapes and Berries:** Make an application of 32 to 96 fluid ounces per acre (2.0 to 3.0 liters per hectare) after active growth begins. The application may be repeated at intervals of one week or more through the vegetative-growth period. **Turf:** Apply 1 to 2 fluid ounces per 1000 square feet (10 to 20 milliliters per 100 square meters) during periods of active growth. **Ornamental Trees, Shrubs, and Flowering Plants:** Dilute at a rate of 32 fluid ounces in 10 or more gallons (250 milliliters in 10 or more liters) of water and spray to complete coverage.

WARRANTY

Verdesian Life Sciences U.S., LLC warrants that this Product conforms to the specifications set forth on the label. This Product is reasonably fit for the purpose stated on the label when used in accordance with the label directions and instructions under normal conditions of use. VERDESIAN NEITHER MAKES, NOR AUTHORIZES ANY AGENT, REPRESENTATIVE OR THIRD PARTY TO MAKE ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, AS TO THE CONDITION, QUALITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Neither the warranty of merchantability nor fitness for a particular purpose, expressed or implied, extends to the use of this Product contrary to label instructions or under abnormal conditions or under conditions not foreseeable to the Seller or Verdesian.

LIMITATION OF REMEDIES

The exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories), shall be limited to, at Verdesian's election, one of the following: (1) replacement of the amount of product used; or (2) refund of the purchase price paid for the product; provided that Verdesian's provision of (1) or (2) is conditioned on its first being promptly notified of such loss or damage in writing. Verdesian shall not be liable to the buyer or any other party claiming by, through, or under the buyer for any other losses or damages resulting or relating to this product, including but not limited to any direct, indirect, special, punitive, economic, incidental or consequential damages or loss of profits, whether in contract, tort or otherwise. Verdesian neither assumes, nor authorizes any person to assume for it, any other liability in connection with the sale, storage, use or handling of this product other than expressly set forth herein.
